Customer Reviews

I love Erynn Mangum, and read everything she does. She makes me laugh even when life stinks. I would like her characters to come hang out at my house. I was a little disappointed in Paige Torn, the first book of this series, It seemed as though she was straining to "mature" as a writer instead of

using her wonderful, quirky gift. This second of the series was much smoother, and the last of the series was great. We have lots of writers to give us angst. Laughter is a rarer treasure. Erynn has a wonderful gift for speaking spiritual truth without being preachy. Her characters desire to walk with God, but struggle with the human frailties that we all have, I would definitely recommend this whole series, though the first one is a little harder for us diehard Erynn fans, you need it for the foundation. It gets better every step.

Seriously, I absolutely love Erynn Mangum and her stories always captivate me! Like all of her other books, this was such a quick read for me! I could not put it down! This second installment of Paige's story was fantastic. Literally, there were times when I was laughing out loud. There were also so many relatable moments where I would moan and go, "Yes! I have been there!" Truly, I am loving this series! It's absolutely up to the standard of every other series that Erynn has written. So excited to see where this story goes with the next book! Awesome!

I've been a fan of Erynn Mangum's books for a while now, and Paige Rewritten did not disappoint. As a single woman in my 20s having to make a lot of new decisions, I completely relate to Paige. This was a light, fun read, but still so encouraging. The ending is rather abrupt, but that just makes me more excited to read the third installment in the series. Thank you for another great read, Erynn!

As soon as this book was released on Kindle, I bought it and read it in less than two days. She really carried the characters' stories over well, wrapping up all the details from the first book nicely while still leaving you with suspense at the end. I can't wait for #3 and I will cry when it's over! I adore Paige and all of her witty adventures!

I love how relatable these characters are! Paige isn't some super Christian with her life all figured out. This book had fun humor, but also real life struggles. It made me laugh and even made me think! I'll warn you, it leaves at a cliff hanger! I'm rooting for her and Tyler!! (We need more guys like Tyler in this world! :))

I gave this book 5 stars because I LOVED it & couldn't put it down! It is a fun read for teens & adults. Like all of Ms. Mangum's books it's clean, has believable characters that I think lots of people can relate to. The only complaint I have is there were a few times the same content was repeated in the book, but that's definitely not a big deal. Can't wait to see what happens to Paige &

Tyler in the next book!

I love her books, but leaving me in suspense until the next one comes out? Brilliant, yet frustrating. It's a mark of a good author when I'm so involved in the story that I'm infuriated that she stops on a cliffhanger. Bravo, Erynn! You've done it again! I can't wait to see what happens next. :-)

Great addition to Paige's story. Erynn is really getting me with the endings though...true cliff hangers waiting on the next book!!
