The definitive text on the Spanish colonials (and Mexicans post 1821) in Pimeria Alta (and later, Arizona Territory). Can be a bit dry, but he certainly covers the facts, and the photos are few but interesting.

Donald Trump ought to read this book, it would change his ideas of who the real Americans are. Or at least broaden his limited perspective.

Seems to be a thorough representation of the Hispanic point of view in the Arizona Territory for that time period.
