Customer Reviews

I made my first tortillas today and they were delicious. I followed the recipe and had no problem. The corn tortillas are fantastic. I had already bought one of the tortilla press and it was worth every cent I paid for it. Thank you and enjoy your meal and enjoy your day.

There are so many benefits of using cast iron cookery which I have been missing out previously. I am so glad that I had bought one and utilising it to the fullest with the wonderful help of this cookbook. Indeed the massive recipes were surprisingly delicious and easy to prepare. Most recipes in the cookbook do not require more than 1 hour of preparation time. I must say that this cookbook has level up my cooking skills evidently!

This is the perfect cookbook for your Tortilla Press. Helps you not have to think of any extra ideas.

Tortillas are my new favorite thing since sliced bread! Lol but in all seriousness, this was a good read. I’m so pumped to break in my new cast iron. Thanks for writing this awesome manuel!

Great tasty recipes! Highly enjoyable. Strongly recommend.

Very interesting book great companion with the press.

Absolutely excellent product. Simple to assemble. The heaviness of the cast iron makes for perfect tortillas every time. I would recommend this item to friends and family.

Easy to put together and works well. Just follow the directions. Comes with spare parts too :)
