Synopsis

The vibrant city of Burlington is a perpetual hub of activity, with hordes of shoppers strolling up and down Church Street and groups of college students scattered about the lawns of UVM. Stop and listen to the stories of Queen City Ghostwalk guide Thea Lewis, and discover the ghostly shapes and spirits that appear among the throngs of the city’s living. Meet the mischievous poltergeist who haunts Converse Hall and the ghost of the Flynn Theater. Take a peek at peculiar happenings at the Firehouse Center or the old Howard Opera House. Lewis delivers plenty of chills with a strong dose of history and a pinch of humor.

Customer Reviews

This is a "must have" for anyone with connections to the Burlington,Vermont area! I really enjoyed reading this and it makes a great "coffee table" book. I also bought one for my sister who now lives in Seattle but used to live in Burlington. She absolutly loved it too! I may be getting a couple more for other friends! Thanks

Great book! Loved reading it.

Very well written and entertaining. I love to read about this area I grew up in. Also learned some history about the area that I did not know.

Fun book to read before visiting Burlington!

Bought th I s item because I am up in this area a lot. I already knew things in the book but learned others

great transaction.

This is a great collection of ghost stories about Burlington VT. Some of them are well-known but told in a new way and some of them are new to me. The author runs a local Ghost Walk, after reading her book, I'll definitely sign up for her ghost walk. I'm already looking forward to her next installment of stories. I stayed up late reading the book and when it was time for sleep, I nervously turned off the light, hoping that no ghosts had followed ME home!
