Synopsis

An indispensable volume that shows how to succeed in business by using the Bible and its lessons as a source of inspiration and guidance n 1990, David L. Steward founded his company, Worldwide Technology, Inc., on a shoestring budget and borrowed money, well aware of the high-risk nature of the venture he was undertaking. Despite the fact that he was a novice entrepreneur, he was certain he would succeed. Steward believed intensely that God wouldn't let him down.Doing Business by the Good Book shares the inspiring lessons culled straight from the Bible, that Steward used to build his privately held billion-dollar company into a global information technology enterprise.

Customer Reviews

I haven't finished the book but I can say I actually have this deep desire to follow along with Mr. Steward's life lessons. Mr. Steward's spiritual business experiences through God's directional Word is what I need in this time of my life. I'm so glad I visited the IMO'S Pizza on Hampton at highway 40/64 in St. Louis, MO that particular day. To GOD be the glory I got wind of this book's existance. So Oh Heavenly FATHER order my steps and I will continue to praise YOU in the hallway until the

door/gate swings open in my life. AMEN!!!

Wow, I wish I had seen this book earlier. Very pertinent information, extremely relevant to today's world. Quick read, short chapters with concentrated lesson. Great format, great information.

The book is great. It is compelling. Every chapter can be researched and information easy to find, if you have a Bible.I live by the rudiments of Christianity and to find David Steward not only living a Christian life but also having incredible successin the business world is very encouraging to me. His book and his testimony is a great inspiration for me. Through his life, book and business God has allowed him by hard work and faith in God to bless great numbers of people.

This book was amazing. It is very encouraging to read about a black Christian entrepreneur who resides in my hometown, St. Louis. This book is a must read if you are interested in Jesus being the anchor of your business. No Christian business owner should go without out this book!!! I totally recommend.

Got to hand it it to Mr. Steward, this is a great book for young and old alike. In fact, it is something that would appeal to millennials. Short chapters and worthy dialogue. Crisp writing that comes to a point that gets you thinking about your REAL faith in Christ. Not a book for pretenders.

I found this book to very rewarding. Mr. Steward is on point in every chapter of the book.The scriptures that Mr. Steward reference are in line with the Bible, and it causes one to think and apply the scriptures to any business ventures. This book should be given to any and everyone who will start a business or who has a business.Verna V. NickelberryFounder and Editorial DirectorOrdinary People Magazine

Awesome Book. Just finishing it. Wow. Highlights throughout. Every believer...Every Pastor... Every business leaders should read this book

If you are looking for a book that provides practical application of God's Word to business. This is it! With so much scripture provided as reference, David Steward makes it extremely easy to connect the dots.
