Oh what a beautiful story of love and courage to be yourself. Narissa and Hunter were meant for each other, but would they realize that?Narissa has such extraordinary dreams of designing gardens, but for a woman to do something like that back then was almost unheard of. Will she ever get the chance to expound on her dream?What of Hunter, thrust into the role of Duke because of the deaths of his father and older brother with no training, how will he manage?So many questions, one way to find out is to get the book and read it for yourself. I'm sure you will enjoy it just as much as I have.

A good story. A clean read with dialogue, courtship and grand wedding. The hero and heroine were both likeable. Whatever issues arose the characters resolved with communication, which was refreshing. Usually communication is hurriedly inserted in the final pages of a story. I wish the secondary characters had had more depth and story to them. And since the hero is a duke, why does the author keep having him addressed as "my lord" or "the lord of Melton"? Shouldn't it have been "your grace" or "the duke of Melton."

Very enjoyable read! Love the story and the characters.

With the death of his father and brother in a carriage accident, he has become the new duke. She lives at the next manor house and grew up with him until he went to war. This sweet and clean romance is an excellent story of how affection and attraction can blossom and eventually turn to love. It has a full bodied plot and gentle but strong characters. A true delight to read. I highly recommend this book.

Hunter has been gone to war, and during that time, both his father and older brother died. That made him the Duke, and totally unprepared for such responsibility. Nerissa is a neighbor, and childhood friend, but has an older sister who gets all the attention. Hunter and Nerissa are drawn to one another, but are not considered a good match by their parents. You will enjoy reading this book to find out what happens to each of these appealing people. This is another excellent book by a very skilled and talented author.

If you like reworked fairy tales, or aren't sure you'll like them, this was a light, quick read of an adorable story. Spoiler alert: The ugly duckling meets a sort-of fairy godmother who transforms her into a beautiful swan. The best part--Spoiler Alert--is that the prince, or rather duke, has always known how special she is. He just needed to see her potential.

I don't know why I love these romances so much; but I do! It's probably because they take me to a different time where women weren't able to follow their dreams.In this book Marissa is in her parents opinion "the ugly duckling" to Hunter and the other suitable men she is gorgeous.Of course in this story there is a "scandal" and love conquers all.I love these clean romances. I'm looking forward to reading the next book by Me Richmond.

Poor proofing. Poor type setting. Paragraph separation, hi indent on new paragraph, etc. Really couldn't tell when you were changing gears.
