Synopsis

A is for the Art Institute where the lions stand proud. They guard the precious art inside and welcome the crowd. B is for Chicago Blues, the sound heard on the street. Jam with a harmonica and keep time with your feet. C is for Chicago, Second City and Third Coast. From the lakefront to the skyscrapers it’s a city with the most. And so the story goes. C Is for Chicago is a children’s book that explores the history and iconic places of Chicago with clever, whimsical rhymes that inspire the reader to discover the Windy City. It is made for the early-reader set, but the rhymes and illustrations will have all generations of Chicagoans and visitors to the city smiling.

We have looked through this book with our kids several times now and each time the experience produces a fun discussion about the places they have visited - or want to visit someday. My kids are fascinated by the illustrations and make up creative stories each time we turn the page and unveil a new place in Chicago. I wouldn’t be surprised if my kids end up sharing this book with their children

someday.

Super cute book that my grand kids enjoy and know where Grandma grew up.

Beautiful book.....wonderful artwork, clever text. The author has included all wonderful aspects of Chicago, perfect!

Love this book and am glad that it is a board book.

We love this little board book. Sometimes reading kids books is a bit boring, but this one is fun for adults too!

Cute book!

Very, very fun book that we bought on a recent visit to Chicago. All letters of the alphabet with fun ryhmes and fabulous art. My favorite is the one of Wrigley Field, because we got to see a game there. My 4 year old's favorite is the yellow cab in the snow storm. Every time we re-read it, we feel like we are visiting again. Beautiful book for little ones and me!

Maria Kernahan has taken an idea and with time, effort, enthusiasm and imagination has created a series of books that charm not only children, but their parents and grandparents as well. C is for Chicago is fun to read, beautiful to look at, andÃƒÂ¢Ã â ¬Ã Â|ÃƒÂ¢Ã â ¬Ã Â|educational.I am anxiously awaiting the publication of her next book!
