Synopsis

For over 60 years, Milady’s Standard Textbook of Cosmetology has been the textbook of choice for cosmetology education. Used in 48 countries and developed in 5 languages, Milady’s Standard is recognized as the undisputed industry leader and primary source of the most current and comprehensive cosmetology education available for cosmetology students. This newly revised edition continues to provide students with the knowledge and skills required to pass state licensing exams and provide professional cosmetology services. Drawing on the input and expertise of many industry leaders, educators, and artists, this revised textbook gives students a thorough understanding of both the theory and practice of all pertinent subjects. And for the very first time, the frontmatter of the textbook includes an overview/definition of the National Skills Standards for Entry Level Cosmetologists, developed by the Cosmetology Advancement Foundation (CAF). ALSO AVAILABLE ISBN: 1-56253-467-X (Softcover) Theory Workbook, 2000, ISBN: 1-56253-468-8 Practical Workbook, 2000, ISBN: 1-56253-469-6 State Exam Review, ISBN: 1-56253-472-6 INSTUCTOR SUPPLEMENTS CALL CUSTOMER SUPPORT TO ORDER Course Management Guide, 2000, ISBN: 1-56253-471-8

Milady is the leading provider of comprehensive cosmetology learning solutions for over 70 years.

I expected this book to provide more up-to-date information and more guidance than I have been able to find on the internet. Although this book contained a lot of good information that has remained true over time, it was very general. The book contained many things that I already know. Although I have never gone to cosmetology school, this information would have served me well if I needed a refresher in the basics. I have afro-textured hair, and I have had to learn to take care of it on my own (since it looks better on my head than on the floor or in the trash) based on my current location. This book is ok if you need to learn very basic things. The language in which it is written is simple.

this book made me very famous in my family I read this book found it helpful in hair designing ,so I gave to my friends and family they all used this book and happy it contains very informative message and tips for you.Thank you .

Seems like a review booklet, rather than full textbook.

It was fine

I was very pleased with the shipping and handling of this item.Also the book is exactly what my

daughter needed and I would recommend this service to anyone.

the book was in great condition

Thank you for da book

We keep this in the salon to have on hand for new assistants starting training. We use it for the very basics, and it describes things more simply than a seasoned colorist or stylist will.
