Synopsis

Ã¢â “Â¶ DESCRIPTIONThe Holy Spirit by A. W. Pink (1886-1952) is an in-depth study from the Scriptures of the Third Person of the Trinity. It encompasses all aspects of the Holy Spirit, including who He is and what He does. There is an urgent need for this book in our time. Many deny the Holy SpiritÃ¢â ¬â„¢s existence or simply ignore Him. Some speak of His continuing operation, but seem unaware of the broad scope of their daily dependence upon His work. Prayerful reading can open our eyes to the richness of the Holy Spirit, our Comforter, Teacher, and Guide.Ã¢â “Â¶ CONTENTS1. The Holy Spirit2. The Personality of the Holy Spirit3. He studied at Moody Bible Institute in Chicago, USA, for only six weeks before beginning his pastoral work in Colorado. From there he pastored churches in California, Kentucky, and South Carolina, before moving to Sydney Australia for a brief period, preaching and teaching. In 1934, at 48 years old, he returned to his native England. He took permanent residence in Lewis, Scotland, in 1940, remaining there 12 years until his death at age 66 in 1952.

This a great book for all levels of readers I find it very thorough and decisive. For the new saint its a definitive need for new born again person who has not had formal or basic understanding of the HOLY SPIRIT. IT IS basic but to many its the eye opening to the spirit of understanding. A EXCELLENT book for teachers and to some pastors who may not have had the spiritual rebirth....and the intimate relationship with the HOLY SPIRIT.

This was a insightful book into the workings of the Holy Spirit. As Pink gives no clue why we hear so little about the Holy Spirit in churches today (in my option) he gives reason why we should.The Holy Spirit is an equal part of the Godhead but even less understood than God. Denying the Holy Spirit is the only unforgivable sin, (Matthew 12:32) so you would think this is one verse that needs study! I was was expecting this book to address this passage but it did not. Still a very good book that deserves study.

This edition is missing a number of words at the end several paragraphs, leaving you to figure out the meaning. I still gave it 5 stars for the content. It was certainly worth $5 even with some words missing. I’ve purchased 4 of these and given them away.One of the first things I learned about the HS is the meaning of the name Comforter - it means to come along side and strengthen - not just to console. I’ve always thought of the HS as sort of an ’it’ but the author points out that He is very much a Person.

Haven’t read it yet but had to have it for my AV Bible collection.

I am doing my thesis on the Holy Spirit due to even today there are a lot of us who do not know the Holy Spirit or his job or his many names or what He does in our lives. There are so many different interpretations on who and what He is and was and is today. This book is a good reference and fits into mostly what I believe the Lord is saying who the Holy Spirit is and what he does. I would recommend this book to anyone who wants to know the Truth. The writing is easy to understand and to follow and it will bless your life.

Real men and women read Pink.

I am going through this book along with The Mystery of The Holy Spirit by Tozer and combined am finding fellowship with the Holy Spirit I never dreamed of. There are wonderful insights i this book, gonna read again.

Arthur Pink takes you by your collar and hauls your smug consciousness right to the flaming brink of incineration by this third Person of God's magnificent Trinity. The Holy Spirit is so sweet, sovreign and stupendous that this reader will be hard-pressed ever again to consider Him a Ghost. A book to read many times.
