Customer Reviews

’Clear and persuasive in argument, deeply read in classical and modern divinity, doctrinally and spiritually astute, this is a splendid theological presentation of the nature and interpretation of Scripture.’ Ã¢â ¬â • John Webster, King’s College, University of Aberdeen, UK. (John Webster)’Simultaneously traditional and creative, this impressive volume offers a welcome introduction to Reformed dogmatics.’ - Matthew Levering, Professor of Theology, University of Dayton, OH, USA. (Matthew Levering)’Trinity, Revelation, and Reading becomes in Swain’s hands a three-stranded cord for the theological interpretation of Scripture that is not easily bettered. Swain derives his key interpretive categories from the Bible’s own storyline. He also locates biblical interpretation, and Scripture itself, in the triune economy of covenantal communication for the sake of communion, thereby putting feet on the idea that Scripture is its own best interpreter. This is a fresh yet sound and richly satisfying account of why and how the church is to think about and read the Bible "as what it really is, the word of God" (1 Thess. 2:13).’ - Kevin J. Vanhoozer, Blanchard Professor of Theology, Wheaton College and Graduate School, IL, US. (Kevin J. Vanhoozer)’Clear and persuasive in argument, deeply read in classical and modern divinity, doctrinally and spiritually astute, this is a splendid theological presentation of the nature and interpretation of

Scott R. Swain is Associate Professor of Systematic Theology, Reformed Theological Seminary, FL, USA.

This is a phenomenal book for helping those who are little familiar with scripture better appreciate the very nature of scripture. Swain shows that, in the reading of scripture, God communicates himself to us such that we might have a sincere, real friendship with him. It is precise, deep, carefully thought out, and very readable. It is a great intro for knowing how to better read scripture.

Read as a textbook for a DMin program of study, Swain shows a methodology for biblical interpretation that requires the reader to interact with both the biblical text and the author himself. This book cannot be read without being challenged to look into the Word.

A masterful job of showing the sovereignty of God in His Self revelation to whom He wills, and reminding us that the true beauty of the Scriptures, is that Christ is found as the pearl of great price.

Purchased these for a friend in seminary. They are a book so should be 100% what you are looking for if you have the title and author right. I didn't hear of any issues with quality from him.

Very explicit and foundational booj

This is a helpful resource for anyone who desires to better understand the Bible. God reveals much about himself through the holy Scriptures. It’s worth the effort to read this helpful guide.
