Customer Reviews

We have used Karen Brown's books before on a trip to France. The recommendations were wonderful. We stayed at a thousand year old converted monastery, an 18th century farmhouse, etc that were not the typical recommendations you would find in better known guides. As a result I purchased Italy B&B and found it just as helpful with similar recommendations on our trip to Italy. Not your typical guide but you will be referred to not your typical lodging.

I found this book to have lots of helpful information regarding credit cards accepted, languages spoken, etc. However, the B&B's are not arranged according to regions nor are they alphabetically

arranged. So it was very hard to find places in the region I was planning to visit.

Worth having before planning a trip to Italy. We were able to identify B & Bs and communicate with them using the information provided. Well worth the money.

NICE BOOK OF INTERESTING PLACES TO STAY THAT MOST TOUIST BOOKS DO NOT MENTION
