Synopsis

American Law and Legal Systems examines the philosophy of law within a political, social, and economic framework with great clarity and insight. Readers are introduced to operative legal concepts, everyday law practices, substantive procedures, and the intricacies of the American legal system. Eliminating confusing legalese, the authors skillfully explain the basics, from how a lawsuit is filed to the final appeal. This new edition provides essential updates to forensic and scientific evidence, contract law, family law, and includes new text boxes and tables to help students understand, remember, and apply central concepts.

Customer Reviews

This text presents a clear examination of the philosophy of law within a political, social and economic framework. Coverage introduces readers to operative legal concepts, everyday law practices, substantive procedures, and the intricacies of the American legal system. Eliminating confusing legalese, the authors skillfully explain the basics--from how a lawsuit is filed to the final appeal--and review English legal roots. --This text refers to an out of print or unavailable edition of this title.

This volume presents a clear examination of the philosophy of law within a political, social, and economic framework. Coverage introduces readers to operative legal concepts, everyday law practices, substantive procedures, and the intricacies of the American legal system. Eliminating

confusing legalese, the authors skillfully explain the basics—from how a lawsuit is filed to the final appeal—and review English legal roots. The survey addresses history and the law, court organization, procedure and evidence, limitations, constitutional law, criminal law, administrative law, environmental law, torts, contracts, and property law. For those interested in a greater understanding of the American legal system. --This text refers to an out of print or unavailable edition of this title.

I wish I had this book in high school, maybe I would have grasped our U.S. systems then. This is a great read. It is useful, clear, and has the perfect range of topics. I didn't give 5 stars because one or two chapters were a bit boring. We used this for a graduate level intro class, but I think a wide range of readers could find it useful.

This book has detailed information that is not to overwhelming. The author does a good job of breaking down the material so it can be understood. It is a great book for someone who wants to review the American legal system and it also serves as a great book for someone studying the American legal system for the first time.

Great book. Had to buy it for my Judicial Systems class. I learned many things after reading it.

thank you

For the price this is very enlightening and thorough, very good buy and author, this is a must read by all citizens

Great condition.

Great description. Book arrived in time for my first day of class.. GREAT

Excellent condition and great value.
