On her last day of vacation in Thailand, with her best friend Carol, Meri decided to go out to dinner and clubbing with Carol and her week long boyfriend Rico and were also joined by Rico friend. Now when morning came, Carol has disappeared and Meri is arrested for Carols murder, but no body was found, just Rico's statement that she and Carol a fight and now Carol is missing. Thanks to Meri's friend, Ashlyn, who send her friend Sam a lawyer to help her. One look at each other and they were both smitten. As days go by with trying to find Carol, Sam and Meri grow very close. Finally Carol was found, after being drugged and force into sex trade scheme by Rico and his friend, thanks to Sam visiting one of their sex club. Now back in U.S.A, both Sam and Meri are missing each other, but still choose to stay away. As time passes, Meri is trying to fine a job, until Sam offer her a job and also a place in his heart.I have read several book by Lauren Wood and have enjoyed every one of them and this book is no exception, with well written storyline and interesting characters, you have a book that you will want to read.I voluntarily reviewed an advance copy of this book.

Meri and her friend Carol have just finished college and decided to take a long vacation in Thailand. Meri is enjoying the beach and the country while her friend Carol has hooked up with a local called Rico. On their last night, Carol talks Meri into a night out with Rico and his friend. Meri doesn't like Rico but she wants to support her friend so she goes. Meri has a decent time but drinks too much. When she wakes up the next morning, hungover in her motel room, she is visited by the police. She is taken to the station and is arrested for the murder of her friend even though there is no body or evidence. Meri is afraid she will be stuck there forever and that her friend is in great trouble. Sam is a top lawyer in NYC who gets a call from an old friend for help. His friend tells him that a woman who greatly helped her out is in trouble in Thailand. Sam is not sure how much he can help but agrees to go. When he sees Meri in the jail his heart goes out to her. She is dirty and very hungry. He looks into her case and is able to get her released into his custody. However she will not be able to leave the country until they can prove Meri innocent. During their search for justice, Meri and Sam get closer and closer. They even seem to be falling in love. However they still need to clear Meri's name. Plus will their feelings last if they return to the states? This is a great story about a woman who is in a horrible situation in a foreign country and the man who helped her. I voluntarily received

a copy of this story and this is my honest review.

Lauren has given us another great book with Meri and Sam. Meri goes with her best friend and her boyfriend of the week. When Carol disappears Meri is arrested for her murder. Thank goodness for Ashyln who sends her friend Sam the lawyer to save her. Sam never expected to want Meri so much he doesn't do clients but rules can be broken. I love how their story unfolds. Just one click it i did. I recieved this book as an arc and i am giving my honest review voluntarily

Meri was in Thailand with her best friend Carol. It was their last day & Carol wanted their last night to be amazing. They went out to dinner and to a club. The next morning Meri's head hurt and she couldn't remember how she got back to her room. When she opened the door the police were gathered around talking to her in a foreign language couldn't understand. She was so confused they kept telling her that she was being charged for murder. Her best friend Carol was gone. She didn't know what she was going to do.Sam is one of the biggest attorneys in New York City. He gets a call from an old friend that needs his help desperately. She has him go down to Thailand to get her friend back.He is able to get Meri out of jail and put under his custody. She is just so anxious to find out what happened to her friend. Somewhere along the way they find eachother in the night. Meri realizes that she wants Sam to be her first. So will they be able to find Carol and get the charges dropped. When they do go back to New York City will they be able to be together or will Sam's Playboy ways get in their way.Please read this book it an excellent read.Lauren Woods did a fabulous job with her characters. You could really feel their fear, their loss, and their love.I will be recommending this book to family and friends. Joy

Well written story and story line. Different story line with a Lawyer and a woman. She is with her girlfriend on a vacation in Thailand. Her girlfriend disappears and Meri gets charge for killing her girlfriend.Meri has another friend Ashley that sends a lawyer to help her out of the charge and to get home again. The problem is that the lawyer, Sam, is a alpha male and very handsome. He is a high stake lawyer in New York. They try to solve the mysterious disappearance of her girlfriend. What happens next, you have to read in the book.The story has great mystery, danger, drama, passion, hot scenes, chemistry and suspence. But I think Meri is a bit too annoying for me at times. But both main characters develops through the story and only to the better. Meri has set her mind on that Sam is a bad guy and that cannot be changed in her mind. But sometimes the fate has it own way of showing you what to do and what you need.Ashley is not helping Meri when she keeps telling her

that Sam is a player.Maybe the ending was a bit to fast for me. Would have loved to hear a bit more about what happens and it all happens very quick.But I can only recommend this story as a fast quick romance read.I voluntarily reviewed an advanced reader copy of this book.
