Customer Reviews

The primary plot was part corny and funny and it quickly sped up to sexy, emotional and lovely. It has all the good feelings and a couple of bad ones. And a very intriguing sex therapist. Oh my. I loved it.This is part friend's to lovers and part been love story. I absolutely adored it and can't wait to read the sequel.

I didn't think I would enjoy this book but found myself enthralled. The Clark Kent/Superman scenario

was a little unbelievable though. I liked the fact that the woman was required to be Hollywood perfect. The book had good humor and kept my interest. Definitely for mature-type reader. I would probably read another book by this author.

I loved this book.. A love story, wrapped around BDSM and a Dom/Sub relationship.. The book is well written, and easy to read, I couldn't put it down.. I also found it to be educational in some of the areas of a Dungeon club.. If you liked 50 Shades, you'll love this book... If you were in love with the boy next door as a young girl, and wanted to win his heart, this is a fantastic book to read.. 5 Stars all the way..

One thing no one can disagree with, Nikki Sex can REALLY write sex! SheÃƒÂ¢Ã â ¬Ã â„¢s the queen of good kinky fun. I always learn something when I read one of her books, and with this book I learned plenty. As usual, thereÃƒÂ¢Ã â ¬Ã â„¢s a good plot, interesting characters and a good story and FATE is no exception. I laughed, I got angry, and had some gasping OMG moments. My husband likes Nikki, too, which is great for our sex life. Keep ÃƒÂ¢Ã â ¬Ã Ëœeem coming Nikki!

5 star's ..I want to be one of her characters ...one of my all time favorite stutters. Can wait to she what's next and I LOVE Andre.

Holy hannah! This is the first book I've read of Nikki's and I must say, it was quite the introduction to someone I've never read before. The briliance that Nikki posesses is AH-MAZING!! Emily/Candy is a spitfire of a woman. She's strong, independent, and knows EXACTLY what she wants. And, she isn't afraid to make the changes in order to feel like she can go after what she wants. Her secret may or may not cause her trouble...you'll have to read to find out. Trust me, you WON'T be disappointed!!

Just loved reading about Emily and Paul's story. They are both great characters and know what they want, especially Emily!Just the right amount of love, sex & BDSM, plus a surprise that Andre made an appearance in this story, I fell in love with him in Karma and he is just as great in this story.Would recommend this read to anyone.Well Done Nikki

So I've read some pretty steamy stuff in the past and that's all been great but this story was amazing!! And not only the story but the author was amazing at explaining this whole lifestyle that

I've always been curiously interested in but intimated by, and changed my views for the better!! No other erotic book about or relating to this lifestyle has made me feel more comfortable about wanting to submit myself more!!!!!
