Synopsis

(High School) Keeping geography relevant and up-to date through country-by-country coverage and online updates, this standards-based program helps students understand how geography affects their lives. The text's strong maps and visuals present key concepts in human and physical geography, while step-by-step skills instruction prepares students for success on assessment. An award-winning video collection helps students develop mental maps of their world through maps, animation, live footage and case studies.

Customer Reviews

Great book for homeschooling. I used it with both my boys.

The book was delivered as promised.

Great book!

I glad my son had this class second semester, found it at a great price. Books in great condition. Will be shopping at again for next year books for my daughter and sons college.

I was very happy with the book. The condition was great! It was worth it!
