Great book with audio access online but NO CD INCLUDED. The write up for this book is WRONG! There is no CD and clearly never intended for their to be one. This does not alter the fact that the music is available online and it is a great collection of fun music for the French Horn player. Approx at an intermediate level of player NOT a beginner book. Over all a great book but please correct the

write up that says CD included.

Daughter is enjoying it.

The arrangements are awful, and it’s too difficult for kids.
