## Synopsis

>Volume 2 of The Annotated Luther series contains a number of the writings categorized under the theme word and faith. Luther was particularly focused on what the word Ã¢â ¬Å“doesÃ¢â ¬Â• in order to create and sustain faith. Writings in the volume range from the large core documents Bondage of the Will, Against the Heavenly Prophets, The Smalcald Articles, and Large Catechism to LutherÃ¢â ¬â„¢s own Confession of Faith and treatments of Moses, the Gospels, and Two Kinds of Righteousness.In the treatises in this volume, we hear LutherÃ¢â ¬â„¢s understanding of Scripture and theology as he continues his growth as teaching theologian, pastor, biblical exegete, and apologist for the faith.Each volume in The Annotated Luther series contains new introductions, as well as annotations, illustrations, and notes, to help shed light on Luther's context and interpret his writings for today. The translations of LutherÃ¢â ¬â„¢s writings include updates of LutherÃ¢â ¬â„¢s Works, American Edition or entirely new translations of LutherÃ¢â ¬â„¢s German or Latin writings.

## Customer Reviews

Annotation comments are very helpful to assist in setting historical context for these important writings by Luther.

Excellent work on Luther on essential Luther writings. I would urge all to purchase this volume plus the other volumes in the series.

Kirsi Stjerna’s volume makes an excellent resource for scholars, as well as a great textbook for courses about Luther’s theology. This volume makes key writings of Luther accessible for readers of the 21st century, through its notes, annotations, illustrations, and informative introductions, by prominent Luther scholars.

Stjerna has put together a world-class team of Luther scholars, who have translated some of the most important texts by Luther. The volume includes carefully chosen and informative images. The marginal notes make for accessible and exciting reading. This volume is a must-have for anyone interested in Luther.

Stjerna is one of the top Luther historians and this volume certainly shows the rigor, detail and depth of her work. For these shaping treatises of Luther’s, Stjerna provides a historically contextual reading that truly provides new insights to bring scholarship on Luther forward significantly.

This book is filled with helpful annotations about the historical context of Luther’s writings and the biblical references to which he refers.
