Jennifer Weiner Reviews Awkward Family Photos Jennifer Weiner was born in 1970 on an army base in Louisiana. She grew up in Connecticut and graduated with a degree in English literature from Princeton University. She is the author of the novels Good In Bed (2001), In Her Shoes (2002), which was turned into a major motion picture starring Cameron Diaz, Toni Collette and Shirley MacLaine; Little Earthquakes (2004), Goodnight Nobody (2005), the short story collection The Guy Not Taken (2006), Certain Girls (2008), the sequel to Good in Bed, and her most recent, Best Friends Forever (2009). Her next book, Fly Away Home, will be published by Atria Books on July 13, 2010. There are more than 11 million copies of her books in print in 36 countries. She can be found on Facebook, on Twitter, and, in real life, in Philadelphia, where she lives with her family. Read her review of Awkward Family Photos: Samuel Butler once said "Every manÃ¢â ¬â„¢s work, whether it be literature or music or pictures or architecture or anything else, is always a portrait of himself." If thatÃ¢â ¬â„¢s true, than God help Mike Bender and Doug Chernack, who waded into the toxic slurry of bad mullets, spiral perms, skin conditions, leg warmers, wet pants, creepy Moms, funny

uncles, and truly disturbing Santas, and came back with this hilarious collection of awkward family photos. Awkward Family Photos reminds anyone with a dusty shoebox full of snapshots of unfortunate fashion choices, band trips, braces, bad bridesmaidsÃ¢â ¬â„¢ dresses and that one time you got talked into dressing up and going to the Renaissance Faire, that you are not alone. This isnÃ¢â ¬â„¢t just a book, itÃ¢â ¬â„¢s a public service on the page, a living, breathing, laugh-out-loud reminder that no matter how badly you dressed, how oddly you posed, and how weird Uncle Dave who lived in the basement was, somebody out there had it worse. Particularly the girl on page 77. --This text refers to an out of print or unavailable edition of this title.

This is the best book of embarrassing and strange photos of people who look like my family that I have ever seen. Judd Apatow (Superbad, Knocked Up, and 40 Year Old Virgin) I wept with laughter fourteen times while reading this book and snorted aloud twice. I dare you to find a higher weep/snort ratio in any other publication. Karen McCullah Lutz, screenwriter of Legally Blonde and The Ugly Truth Anything that both makes me laugh and think my family isn't so embarrassing deserves to be a book. Joel Stein, Time magazine columnist The most remarkable thing here is that people are willing to share such indignity with the world, but we're glad that they have because it's internet gold. The Guardian This is genius! Graham Norton Being a test tube baby doesn't seem such a bad idea after looking at these folks. I laughed till it hurt. To paraphrase Tolstoy... every family is freaky in its own way. David Byrne --This text refers to an out of print or unavailable edition of this title.

I didn't know what to get someone so I got them this and suprisingly so, they loved it. So when you don't know what to give someone get them this book.

I guess that this formula has just worn thin with the power of social media sharing. The best of these kinds of photos already have been seen, and the ones in here are just really humdrum. I haven't really laughed or marveled at anything that I've seen yet. I won't ever buy this calendar again.

My husband has recently found a box of very old family photos. His family is solid Norwegian/German stock and mostly settled in northern Wisconsin. He and my two sons (whom I just love to see) have spent their last several visits in our basement looking at those photos of my husband's grandparents and great-grandparents, trying to guess who they are and admiring the strength of the women particularly. The women are especially noted for their strong ankles, long

skirts, broad-brimmed hats, and determined facial expressions.Anyway, I was just delighted to see the book "Awkward Family Photos" and have bought a copy for each of my two sons and my husband. It is just hilarious - not because of the people photographed particularly, but because of the settings! It might inspire them to bring the box of our family photos upstairs and arrange them in some order in a picture album, so at least we can all be together, rather than separated when the "kids" come to visit!

Just so much fun and full of good belly laughs.

Christmas gift for the office

Arrived on time and exactly as described. Good for a daily laugh at the office.

Nice.

I bought this for my now inlaws and they loved it! It just goes to show you that eeryone has a weird family!
