Synopsis

The Guitar Ensemble books provide the ideal supplement for class guitar instruction. Correlated by page to the Guitar Method, the score book includes three guitar parts in score form with optional piano, bass, drums plus an accompaniment recording as well as suggestions for the teacher. The ensemble student book includes three guitar parts which are musical and easily playable. It provides an immediate performance outlet for even the beginning guitar class. Book 1 is correlated to Guitar Method 1. Titles: Love Somebody * When the Saints Go Marching In * Down in the Valley * Variations on Old Saint Nick * Dona Nobis Pacem * Blue Rock * Bach Minuet * Blue Moon and more. [SPANISH] Correlativo a Guitarra MÃƒÂ©todo. El suplemento ideal para la clase de guitarra. Incluye tre partes para guitarra. Partitura (opcional) incluye tres partes para guitarra, piano, bajo, baterÃƒÂ- a y grabaciÃƒÂ n del acompaÃƒÂ amento.

Customer Reviews

Too many after-school programs offer group guitar classes that do nothing more than require parents purchase their children a guitar and leave them w/ a young, inexperienced teacher who does little more than baby-sit, while their children pluck away alone in a corner of the room without class structure or anything meaningful to play. This book offers a structured and results-driven solution. As a group and private teacher, I can tell you that students progress at different rates. "Ensemble I" allows the teacher to group the class into trios, giving the children 3-different guitar

parts to play together and potentially perform for parents at the end of the school year. The strongest student can play the most challenging of the parts, while the students who are lagging behind can accompany him/her and still feel like their contributing to a positive experience.

The book was in excellent condition and arrived at the stated time. I would recommend this seller to all. The product was something I really looked forward to and will have fun playing music with my friends using this book. I look forward to buying more additions.ThanksDeb
