Customer Reviews

In the past if someone mentioned the word squid the only thing that would come to mind is calamari. That won’t be the case anymore unless my stomach is grumbling. Diary Wimpy made this story not just memorable, he also made it a ton of fun to read. This was such a creative story for something I normally look at as an appetizer. My nephew and I are very impressed to say the least. I definitely recommend this book as well as the rest of the series. I also can’t wait to see what the next character will be.

Cute book! My 9 year old loved it!

My son received this book for his birthday and he loved it. Great quality and very much enjoyed.

My 9 year old who is a very advanced ready read it very fast (about 30-60 minutes) BUT loved it!! He wants a number two. ;)

My son loved it

It was an interesting story. I think it needed more drama. I liked the setting and the conflict. Good bookÃƒÂ Ã Å¸Ã Â•Ã Â•

This book is ok. The thrill seekers are REALLY REALLY stupid.I do not recommend you to buy this book. But if you have kindle unlimited then try to read for free

This book was amazing but every book you make are like fraud...because I downloaded this book because it had many pages but when I read it the book was very small. There is only one short paragraph on each page and I had to turn the pages continuosly. So please make the page full then go to the anothsr page.... I hope you understand. Thank You!!
