Synopsis

Julia has always longed to make her life count. She can hardly believe that she has ended up as an administrative assistant for an insurance agency. But when Jake walks into her insurance office, her life takes a drastic turn. Is she crazy to join Jake in a remote village in Venezuela? And if she marries him, can she handle the kind of life she would have there? Will her journey into the jungle lead her into the life she always wanted, or will it be a tragic mistake?Reviews:JoHannah Readon offers interesting characters who change and develop. They have faith in God, faith that is not always what it should be, but faith that is challenged and grows. -LNI loved this book and have read it twice. I loved the two main characters. I loved the insight it gave me of the hardships faced by missionaries in cross-cultural fields. It highlighted things I had never thought of. I've enjoyed all the books I've read by JoHannah Reardon but this has been my favorite. -LHThis was a truly heartwarming novel all about commitment and trust in the Lord to know what is best for us. I was impressed with the patience this couple showed to know God's will for their lives. - SG

Customer Reviews

I am a former missionary. I found the idea that the heroine of this story wanting to be a missionary, but not doing any preparation for this to be rather strange. If you are called by God to be a missionary, you don't wait to meet a man who also wants to be a missionary-- you do some preparation work for this. You don't put conditions on God that you will go only if you find a husband who also wants to be a missionary.I did enjoy the book. Cultural adaptation takes time. Most missionaries are not required to eat monkeys and jungle creatures as are those in this book, and I also find it difficult to believe that they would stay in one small village for such a long time. Missionaries who do Bible translation are usually from Wycliffe and they do get training in translation, jungle living, survival skills and such. I find it hard to believe that she would not have had this training.But the story was interesting, despite the difficulties that I had with the premise.

A beautiful book written in sequel to the Distant Shores..Love how God is the forefront of all the lives..looking forward to reading more of your books..GOD BLESS YOU

I loved this book - and have read it twice. I loved the two main characters. I loved the insight it gave me of the hardships faced by missionaries in cross-cultural fields. It highlighted things I had never thought of. I've enjoyed all the books I've read by JoHannah Reardon but this has been my favourite. As with another reviewer - I too would love a sequel. I thoroughly recommend this book.

I thought Journey to Omwana was an excellent book. I enjoyed the characters and the setting. One could place themselves right inside the book. It is easy to order on your Kindle and you are not running to the store, looking for a place to park, etc. Wish the 3 others would be available for Kindle. It said that they were not.

The story is so good it was difficult to put it down. Now I am hoping for a sequel. I suspect the theme was based the true life experience of a missionary acquaintance of this talented author. I look forward to many books yet to come from JoHanna Reardon. I have read all that are currently available and enjoyed everyone of them.

JoHannah Reardon has a way of telling missionary stories that grip the reader and yet they seem so true to life.

This was a truly heartwarming novel all about commitment and trust in the Lord to know what is best for us. I was impressed with the patience this couple showed during their courtship, to know God's will for their lives.

JoHanna Readon offers interesting characters who change and develop. They have faith in God, faith that is not always what it should be, but faith that is challenged and grows.
