Synopsis

Practical Keys to Transforming the World around YouIn a world where evil dominates the headlines, we are often left wondering, Will good really triumph over evil? Or are we hurtling toward oblivion?It’s here, during this very hour--when political chaos seems to reign and the media persecutes anyone who disagrees with them--that God is searching for men and women who long for an infusion of boldness that possesses their souls, who will take a stand and be a voice for the Kingdom. His vision for the future is not bleak, and he is readying a heavy rain of transformation and revival. Here is the guidance and inspiration you need to become a vessel that catches the downpour of the Spirit’s rain--and helps release God’s Kingdom like a flood.

Can this dark, broken world really be transformed?In our present-day world, evil dominates the headlines and political chaos appears to reign. It seems unlikely that good can ever triumph over evil.But God’s vision for the future is not bleak. In fact, it’s full of hope! At this pivotal moment, He is readying a heavy rain of revival--and He wants you to be part of it.In this powerful book, Kris Vallotton shows how God is searching for men and women who, like you, long for an infusion of boldness, who long to bring Kingdom transformation to the world. You’ll experience the power that comes when we pray, "Your kingdom come, Your will be done on earth as it is in heaven." With excitement and wisdom, Kris shows how this power is every bit as accessible to us today as it was in Jesus’ time--and he gives you the keys to unlocking it. If we harness it, the Church can--and

will--become a catalyst for miraculous change in the world.God’s heavy rain is coming, and there is more reason than ever to hope.Discover how to become a vessel that catches the downpour of the Spirit--and help release God’s Kingdom like a flood."You will be challenged, shocked and, if open-minded, beneficially stretched."--Jack Taylor, president, Dimensions Ministries

Kris Vallotton (www.krisvallotton.com) is the senior associate leader of Bethel Church in Redding, California; the co-founder and senior overseer of Bethel School of Supernatural Ministry; and the bestselling author of numerous books. His life-changing teaching, prophetic insight and humorous delivery make him a much-sought-after international conference speaker. Visit www.heavyrainbook.com to learn more.

Heavy Rain is an excellent treatise about how God has called His people, His church, to actually transform the world in which we live, making disciples of all nations, "on earth as it is in heaven". The author not only argues persuasively from scripture as well as history, he gives many examples from his own personal experience, and from the remarkable impact of Bethel Church in Redding, California. I heartily recommend this book.

Heavy Rain is a book this world truly needs right now. In the midst of a chaotic world, Kris’s insight brings such wonderful clarity to the revival and transformation we are in search for. A book full of guidance and inspiration. Definitely a must read!

YES! Finishing this book made me want to shout, "HALLELUJAH!" It filled me with hope for the future and determination to seek God for His future plans for me.Heavy Rain helped me understand why so many churches today, though well-meaning, are ineffective at carrying out the Great Commission. When they come into balance with the five-fold ministry of Ephesians 4, then all of the work can flow as God intended.This book is worth your investment in both money and time. I know that I will read it again to glean all of its treasure.

I’ve read several books by Kris Vallotton and I found this one to be my favorite by far. Kris has a positive prophetic outlook which I find refreshing and easy to align with. With 2016 election behind us, political and racial tensions escalating in the US and uncertainty in world in general, reading Kris’ view on God’s grace and mercy in our day is worth the read.

Working in ministry alongside my family we have been asking certain questions about the culture of honor, freedom and some shifts we have been feeling. In just the first few chapters so many questions were answered.I recommend this book to any believer hungry for what God has in store for us and seeing Heaven come to Earth. Anyone who feels that we were called for more than to sit and wait for the world to end.This gives such a wide perspective with hard work and research poured into it, yet easy to read and understand and catch the heart of what is written.To me it is a book of answers, although the author humbly describes it as a journey to answers.

Kris' teachings are always uplifting and full of hope. He brings a fresh perspective to Christian living. I love how he seems to bring back an almost forgotten way to live an empowered life with Jesus.

Critical of other ideas and not very open minded. The authors ideas did provoke some conversation in our small group though, most often on how we disagree with some points.My biggest frustration is the authors tone. He's very dismissive of others ideas on some topics, which pushes readers away and gives them bias throughout the remainder of the book.

I read a lot of books on theology. This book is in the top three most important books I have read. The other two on my list establish important doctrine that this book "Heavy Rain" lays out the long term vision for. If you are a fairly mature believer, you are solid in your identity in Christ and you are operating in the gifts of the Spirit, this book will be invaluable in helping you see and find your place in the Church, the world, and in history. This book will bring down deeply entrenched paradigms that have encumbered the Kingdom of God. A poverty mentality is a short-term mentality. Short term thinking has impoverished the Church spiritually, intellectually, and materially. All of creation is groaning for the sons and daughters of God to start living with a long term vision. This book is a giant leap forward in that direction.
