My daughters love this book and ask for it multiple times a week. The authors did a wonderful job of reflecting on the possible feelings of the women in the scriptures, and the artwork is lovely. We also love the Girls Who Choose God of the Bible, but I wish there were more of these books!

We love this book! I've been so surprised at how many stories I have looked over about women in the Book of Mormon! My daughter is thrilled with it and loves talking about it at church and to her friends. The artwork is beautiful and adds so much to the stories. I love that it get's the reader really thinking and applying things personally with the questions at the end of each story. Beautiful work! We hope to see more in this series!

Beautifully illustrated, and thoughtfully written: my 10-year-old daughter reaches for this one time and again. The Book of Mormon is not known as a text that offers women's experiences and strength; the authors have done an excellent job at foregrounding the available material in a positive way that helps everyone, regardless of gender, ask themselves how they can learn from and emulate these powerful examples.

A wonderful book to teach my Granddughter about strong and rightous woman. The type of hero I want my Granddaughter to become.

It was nice for my girls to learn of women in the Book of Mormon. They were surprised to learn Nephi had sisters. It's empowering for them to know there are many righteous women who had influence during this time.

Gorgeous illustrations, thoughtful text. I love this book for myself, my sons, my sisters, nieces and friends and have given multiple copies as gifts.

Beautifully written. Love the art work. My daughter loves it.

I adore this book and its companion volume with stories of women from the Bible. My children pore over the gorgeous illustrations and read the stories over and over. Very well done.
