Since I was curious about the Easy-Peasy series, I downloaded lesson 8 to check it out. Imagine my surprise when I read the content for there are several glaring errors in it. Only one example; The Italian word for eye glasses is occhiali not bicchieri. Bicchiri are the glasses one drinks from. Also

wrong are: the swimming trunks, the shorts, the vest and the cap. Please correct these errors for the sake of all the children who may try to learn Italian from these lessons. I hope the other lessons are error free.la lingua italiana

I think this is great way for lil titles ones
