Synopsis

"Where There’s a Wheel, There’s a Way" is a colorful, well illustrated children’s book that tells the inspirational story of the life of triathlete and Ironman Kyle Pease. Kyle was born with cerebral palsy and despite spending his life seated in a wheelchair with limited use of his arms, Kyle lives a life filled with much enjoyment and an endless string of personal victories. "Where There’s a Wheel, There’s a Way" shares Kyle’s story taking us from elementary school student, to high school basketball team manager to competitive athlete and even to Ironman and founder of a non-profit organization, The Kyle Pease Foundation. With the help of his older brother, Brent, Kyle competes in athletic competitions and has twice completed the 140.6 mile Ironman competition. Pease is a college graduate from Kennesaw State University, holds down four jobs and is founder of the Kyle Pease Foundation. The purpose of the Kyle Pease Foundation (KPF) is to create awareness and raise funds to promote success for persons with disabilities by providing assistance to meet their individual needs through sports. Programs may include scholarship opportunities, purchasing of medical equipment or adaptive sports equipment for others or contributing to other organizations that provide similar assistance to disabled persons as well as participating in educational campaigns to create awareness about Cerebral Palsy and other disabilities. KPF will provide these services directly to individuals as well as to partner with other existing non-profit organizations to achieve these goals. Direct benefits will be limited to persons with disabilities who need adaptive sports equipment, mobility devices or medical care.

About Kyle Pease At Kennesaw State University, Kyle excelled in the Sports Management field. He

worked on designing disabled athlete friendly sports facilities in Acworth, GA before graduating in 2008 with a BS in Sports Management. Throughout his time at KSU, he was an active member and event coordinator for ABLE (Advocacy, Boldness, Leadership, and Empowerment), KSU's disabled student organization. Kyle was also a brother of KSU's Pi Kappa Phi fraternity. Kyle has worked as a liaison and an ambassador at a major grocery store chain and at Children's Healthcare of Atlanta. Kyle enjoys competing in marathons and Ironman races with his older brother, Brent. With the mission of instilling hope and determination, Kyle wants to help people see the world from a different view. Through his accomplishments and speeches he hopes to provide a positive outlook and inspiration for individuals looking for motivation in their own lives. Kyle's message, though always delivered with a sense of humor, is heartfelt and inspired by his unique perspective of life.

What a stunning book, both in writing and illustration. My boys are 6 and 7 years of age and the lesson in this book is vital, in my opinion, to children everywhere. The message of 'never giving up' and finding your strengths, nurturing them and encouraging others is HUGE. What an inspiration both Todd and Kyle are and a shout out to Jason the illustrator for bringing their vision to life through his artistic talent. I would recommend this book to anybody who needs a lift or needs a reminder that there are NO limitations if you have the right attitude in life! Bravo!

Ever since I met Kyle Pease I was impressed with the way he took his disability and transformed it into a positive. All the world could learn from that type of attitude. But how does one take that outlook and spread that message far and wide. Well leave it to Kyle to find a way. His book, Where There's a Wheel, There's a Way is a story about his life but more importantly teaches us all that no matter how big the obstacle, with the will to succeed nothing is impossible. I'd recommend this book to every school age child, every library, every adult. We could all learn a life time of lessons between the covers of this book.

Kyle's book has been a real inspiration to our family. Having a grandchild and a great nephew with physical limitations, we are well aware of the challenges these kids face everyday. This book is an interesting way to share not only the challenges, but the success that comes from stepping out for yourself and others! Thank you Kyle and Brent for paving the way to hope!

Kyle (and Brent) are incredible role models for all! I'm so excited to read of them sharing their story

with others!Their creativity, ingenuity, and talents are made obvious in the title alone! Now imagine what the inside is like!What fantastic inspirations they both are to everyone!I've had the privilege of teaching both of these guys and what a PRIVILEGE it was!Thank you, Kyle, for sharing your life and talents with others!Thank you, Brent, for always and naturally being a supportive brother!

My kids LOVED this book!!

Truly a book that provides today's children with lessons in living, beating challenges, and making friends. Timmy and Ernie are great and entertaining characters. The story is told on a simple level, but with great psychological lessons embedded into the journey of the two friends. Recommend it for anyone with children.

This is an excellent book of inspiration for people of all ages, young and old. This story warms my heart and reminds me that there are no obstacles too great that can't be tackled with love and support. Kyle is so amazing.

This is a fantastic, inspiring book that my 5 and 7-year-old boys LOVE. We enjoy it so much that we even bought a second copy to donate to their elementary school. Highly recommended!
