Synopsis

An invaluable resource for collectors of South Carolina dispensary bottles from both a historical perspective and as a resource for the many variations of containers the system produced. This compilation contains an overview of the history of the system including the colorful creator (Gov. Tillman) and the events leading to and following the "whiskey rebellion". It recounts an interesting time in South Carolina history when prohibitionist compromises helped to create one of the most corrupt government-run businesses of the time.

Book Information

Paperback

Publisher: Sandlapper Pub Co (September 1, 1997)
Language: English
ISBN-10: 0878441360
ISBN-13: 978-0878441365

Product Dimensions: 0.5 x 6.8 x 10 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Customer Reviews

I know the writer and had to have a cover for him to sign.....

An invaluable resource for collectors of South Carolina dispensary bottles from both a historical perspective and as a resource for the many variations of containers the system produced. This compilation contains an overview of the history of the system including the colorful creator (Gov. Tillman) and the events leading to and following the "whiskey rebellion". It recounts an interesting time in South Carolina history when prohibitionist compromises helped to create one of the most corrupt government-run businesses of the time. The dispensary idea was sold as both a means to control the flow of alcohol and raise revenue for the state education fund...an interesting parallel as South Carolina currently embarks on building support for a state run lottery, also "to improve education".

I have found a few over the years and once purchased one in an antique. When I got the book I discovered the one I had purchased was a replica with a little added dirt applied. Should have had the book first.
