The enemy doesnÃ¢â ¬â„¢t discriminate based on age, and those who care about teens canÃ¢â ¬â„¢t afford to, either! Arm them against SatanÃ¢â ¬â„¢s lies with the truth about who they are in Christ. There is a biblical cure for the spiritual and emotional wounds that cripple teensÃ¢â ¬â„¢ self-esteem and confuse their identity. In Busting Free, a dynamic youth study based on the bestselling books Stomping Out the Darkness and The Bondage Breaker Youth Edition, youÃ¢â ¬â„¢ll find everything you need to help the kids in your group grab hold of their true identity. Through 13 flexible sessions, youth will learn how to recognize and overcome spiritual deception, to use the authority God gives all believers and to take the steps to claim their freedom in Christ.Ã Â --This text refers to an out of print or unavailable edition of this title.

I teach a sunday school class of 7th and 8th grade student. This book was issued out to me and my co-teacher. We enjoy teaching from this book. It has good activities for the students and it has issues that relate to the youth.

Good book. Good experience with seller.

Busting Free really helps break down the Chapters in Stomping out the Darkness. The Step by Step instructions made planning lessons clear and fun! Youth group really enjoy the activities.

This is a great book to walk with students as they gain a perspective on their life as Jesus does. Worth the time reading & spending it with students

I am not really enjoying this book. It has some helpful parts, but overall, in am not finding it very useful. I teach the youth (7-12th grade) at my church, and have a teaching background, and I can say with certainty, most of the activities would not go over well if I tried to do them. For example, one page asks the leader to put students in pairs to share things like: "What I like best about me physically is..." "One thing spiritually that separates me from God is..." Etc. If your kids are extremely open, then maybe this would work for them, but I don’t know any kids this age that would openly share these things with honesty. Also, there are parts that say verses out of context that I think the kids would have a hard time with, such as "I am a slave to God, making me holy and giving me eternal life. (Romans 6:22)" and "Before a person becomes a Christian, that person is God’s enemy and by nature a child of wrath. (See Ephesians 2:1-3)." I am not arguing about whether these are true, but rather, whether they are helpful, out of context, in teaching youth about who they are in Christ. Although I will say, the word enemy is not used in the NIV in those verses. So overall, there are some helpful parts, but I would not follow it as a curriculum, and am finding myself mostly

supplementing and creating my own materials.

’Busting Free’ by Neil T. Anderson and Dave Park is an easy-to-read book written specifically for the youth of today. The main aim of the book is for young people to find their identity in Christ, and as a result their life will change! ’The Bondage Breaker - Youth Edition’ and ’Stomping Out Of Darkness’ (also by Anderson and Park) complement this book, and can be read along side this book to help your understanding in issues such as "winning the battle for your mind" and "your authority in Christ". I strongly recommend this title, because when you know who you are in Christ you can experience the freedom He has to offer.
