## Synopsis

This updated and expanded edition of Creative Homeowner's comprehensive, bestselling plumbing how-to book covers the most up-to-date products and techniques. Strong emphasis in the how-to information is placed on doing things correctly, so all of the projects use only code-compliant techniques.Ultimate Guide: Plumbing, 4th Edition prepares the do-it-yourselfer to handle any plumbing task in the home, from replacing a washer in a leaky faucet to renovating a bathroom. It also gives readers an overview of a house's plumbing system, including supply, waste, and vent piping, and explains the basic physics that keep everything working well. In addition to learningÃ Â how to plan and complete each project, readers learnÃ Â how to spot and improve outdated or dangerous techniques and materials in their home plumbing system.

## Customer Reviews

Creative Homeowner is a leading and trusted source for the best information, inspiration, and instruction related to the house and home. Over the past 25 years, Creative Homeowner has grown significantly to include titles covering all aspects of decorating and design; home repair and improvement; house plans; gardening and landscaping; and grilling. Creative Homeowner's books and online information are known by consumers for their complete and easy-to-follow instructions, up-to-date information, and extensive use of color photography. Among its best-selling titles are Backyard Homesteading, Ultimate Guide: Wiring and Ultimate Guide: Home Repair

This is an excellent resource, with a lot of useful information and pictures. I was able to use the information to complete my plumbing repairs effectively.

Good book. Good detail for the DIY person.

Great information!

It is OK.

Great!

So I had the 3rd edition from last year, which I rate at 5 stars as it’s really good, and better than the two other plumbing books I bought. Then the 4th edition came out, and I thought that since the last one was so good, that I would pony up for the updates. However, after leafing through both books, except for the cover, as far as I can tell, it’s EXACTLY the same book. It’s like they just redid the cover and NOTHING else. So if you have the 3rd edition, don’t need to buy the 4th. If you don’t, then whichever is available/cheaper.
