## Synopsis

How do you keep a crowd entertained at a party, picnic, family reunion, club or scout meeting, or any gathering? Liven up the festivities with games that get everyone up and talking to each other, and keep groups of 10 or more laughing. Ready, set, go! Compose a sentence (or two or three) by scrambling the letters of team members' names. Detect an error in a story as someone reads it aloud. Remove a letter from a word and turn the remaining letters into anagrams. Or try ones that call for bluffing or involve recalling facts. These games go hand in hand with good times! The author lives in Hoboken, NJ. 112 pages, 15 b/w illus., 6 x 9. NEW IN PAPERBACK

## Customer Reviews

LOTS OF FUN. GOOD FOR FAMILY/FRIENDS GET-TOGETHERS AND ALSO FOR TRIPS.

I was hosting two parties in one week: one for a group of my children's friends (teens and pre-teens) and another for a group of my own friends (Gen X'ers and Baby Boomers). There were so many varied games in this book that both groups had a great time. Instructions are easy to follow and the games are all instantly addictive. If you're looking for something beyond the typical board games you'll find at most parties, this is perfect for you. Most games require only players and their brains, a few others require pen and pencil. No matter what, everything we played from this book was a lot of fun. Highly recommended!

John, Thank you for writing this complete book of party games. I look forward to trying a few of them. Everyone who is throwing a party for New Year's this year should definitely buy your book to make their party even more memorable (Not that any party wouldn't benefit - especially a work related party). You are a very talented writer. I look forward to your next work. Good Luck! Deana
