## Customer Reviews

I always love the DK travel books especially the Top 10--light enough to travel with and still lots of great information with maps and museum information that always very helpful.

This is a very good tour guide. Very thorough.

Great service. Will know more about the book when I get to Montreal and use it.

We are returning after many years, though miss the more extensive coverage of the bigger D-K guides, but the smaller size make it easier to carry.
