Customer Reviews

It works. I don’t know how to explained this. Story short, our house was previously 1 year ago

apprised at 380. In order for us to get a loan we needed the house to come back at least...at least 400K. Everything was in place the loan pre-approved but nothing matter if the house value did't hit the mark. we dreaded the news for almost a MONTH! nothing happening, nothing moving. In desperation I applied for another personal loan not with the bank. I knew my chances of qualifying were slim. I did it anyway. I applied on a Wednesday. I performed the prosperity spell on the following Thursday. I am without words. the same day I received a call for my personal loan that they approved me...wow...later, HOURS later I received an email from the bank letting me know that the appraisal CAME BACK at 445,000!!!!!!!!!!! what??? I though it was a mistake, so I called. Nope, the email was correct the appraisal came back at 445. OMG! ps.. I screw up on the spell so much, gosh I lighten the wrong candles exit thru the South instead of the West, I forgot the my wallet. BUT! my intention was so CLEAR that it did not made a difference. And for all that I have received I am truly grateful!!

Excellent!
