Customer Reviews

User needed book for class. Really useful

I bought the book new and the total ended up being $114. With that in mind, tell me why the book had a rip on the binded part -_- I really want to give it back because that’s bs but I already have college assignments that require the book. Because the book was bought NEW it should be NEW. Be careful guys.

THIS BOOK WAS IN BAD SHAPE NOT GOOD AT ALL TEAR COVER AND BENT PAGES

used as textbook

Even though I am not finished reading this book, it is so far a good english book.

Terrible condition. Huge unknown brown stain on a page.

This has been one of the best Humanities textbooks I’ve used tin my generals.

Good!
