Customer Reviews

The Wanted includes members Tom, Max, Nathan, Jay, and Siva. Their ages range from 17 to 22, and they claim Manchester, Dublin, and Nottingham among their hometowns.

I ordered this book about a month ago, and just received it. I finished the book within 2 hours, because I couldn't put it down. It tells the story of the band before all the platinum singles and sold out concerts, and you really get to know the boys. You get to know each of them from childhood to present day. I also think that it was well written and the pictures were fantastic. I suggest any TW fan to buy it and read it!

Love these boys!!

This was my favorite boy band ever. Nice to have something to remember the boys! Great gift for any person that was a fan of The Wanted.

This book is a perfect way to learn more about THE WANTED. It also includes all these incredible photos of boys. The book is separated with a chapter for each boy+ how the boys got together+ chapter about THE FANMILY. I recommend this book to anyone who loves the boys- a quick and interesting read. =]

It's amazing and if you are a die-hard The Wanted fan like myself you will love and adore this (and treasure it!) It has photos in it of the boys during their childhood and it has some photoshoot shots that are just perfect. Beyond worth the price. #It'saTWthing
