Synopsis

With natives at your guides, the Backroads and Byways series steers you down the most scenic and historic byways, with plenty of intriguing points of interest and places to eat, stay, and shop along the way.Backroads & Byways of Michigan offers travelers a chance to get beyond the usual tourist destinations and to discover what the state has to offer along the way. Twelve carefully researched routes introduce readers to regions across the state, from southwest MichiganÃ¢â ¬â„¢s wine country to the U.P.Ã¢â ¬â„¢s Copper Country, from towns stocked with art galleries and boutique shops to fishing towns with tackle shops and canoe liveries. Sidebars highlight colorful characters and interesting historical details. 50 black & white

Customer Reviews

"The Michigan that author Matt Forster presents is expansive."Ã Â Ã¢â ¬â •June Sawyers, "Resourceful Traveler," Chicago Tribune

Matt Forster has camped, hiked, canoed, biked, swum, antiqued, art galleried, toured, or simply explored nearly every corner of Michigan. He is the author of guides to Michigan’s back roads and byways and great campgrounds for tent camping. He explores Michigan from Clarkston, where he lives with his wife and their two children in an old schoolhouse.

I found this guide to be exceptionally well-written and informative. As a Michigan native who moved

away for many years, I was happily re-connected with routes and sites that I had either completely forgotten about or never even knew existed. This is a great book for anyone looking for a good guide to some of Michigan's hidden treasures. Kudos to the author for his impeccable research.

We live in Michigan, but we always like to take road trips and find places we never knew about. This book is a perfect fit for this! It is perfect for both day trips and weekend trips, and it covers a little bit of each region, giving ideas on where to stay, eat, and things to see. Very please with this purchase and the price!

I am a native of Michigan, but have lived elsewhere for the last 40 years. I purchased this book for a trip back this coming summer. It has given me great wealth of information regarding my home state. I will use this for my travels!!

If anyone is looking for some short weekend travel, this Michigan book has a lot of great ideas!! Don't have to travel far to see wonderful things in our state!

If you live in our great state or plan to visit, this is a must have. We always consult it and plan trips by it.

when I am going to take a trip to a area, look it up in this book to make sure I don't miss anything.

Very helpful just like other reviews have said.

The Michigan book versus Iowa and Minnesota seemed to be incomplete. Most of the info in it can be easily found on the net.
