Customer Reviews

Large, fairly detailed map of the Detroit metropolitan area. We use our GPS or smartphones for driving directions, but when planning a trip, or checking a device’s routing against reality, it’s helpful to see where you actually are. It seems to me the paper isn’t as durable as paper maps I’ve had in the past, which is the reason for 4 stars.

Allowed us to fnd our way to the hotel and the hockey arena and to the bridge to Canada,so it was worth the money.

The map for the Detroit area was really not that detailed.

The Detroit City detail is not what I expected

For navigating new areas, I still prefer a map to a sat-nav device, and this one lived up to expectations.

The best map of Detroit

Very detailed and perfectly foldable

Thought it would be smaller.
