Customer Reviews

Ã¢â ¬Å“The volume, as a whole, makes an important contribution in mapping the contours of the theatres of the South Asian nations. All the essays record the urge for articulations in the theatres, produced and received often under volatile circumstances. Ã¢â ¬Â¦ In brief, this comprehensive study of the theatres of South Asia has been a distinctive addition to recent theatre studies.Ã¢â ¬Â• (Abhijit Sen, Asiatic, Vol. 9 (2), December, 2015)
