Synopsis

A planning guide for church musicians and clergy for selecting hymns, songs, and anthems, for the three-year liturgical cycle following the Revised Common Lectionary. Hymns and songs keyed to the appropriate liturgical occasion for Sundays in the Revised Common Lectionary for the three-year cycle. This is the first book of the three-book series (Years A, B, and C) Includes selections from The Hymnal 1982, Lift Every Voice and Sing, Wonder, Love, and Praise, Voices Found, and My Heart Sings Out. Tunes are cross referenced to choir and instrumental descant resources from Church Publishing. Each selection is coded for its appropriate use at the entrance, before the Gospel, at the offering of gifts, communion, or at the end of liturgy. Selections are listed by their relationship to the texts appointed for the day with indications which texts are direct quotes or paraphrases of the appointed scripture. First lines of hymns and songs include their page number and book location. Anthems are coded with their source when they are part of collection Choral selections are categorized as anthems or solos and voice parts are indicate

Customer Reviews

Great resource for selecting music that fits with readings from the lectionary. It’s indispensable to me, and even on occasions when I don’t use the music suggested in the book, I find inspiration. If your church uses the RCL, this book is worth getting.The book itself is great. The Kindle version is problematic, though. The book is all in table format, and the Kindle treats the tables like graphics, so you can’t search them, you can’t change or enlarge the fonts, and so on. I would get the print

version if I hadn't already paid for the Kindle one.

Our worship committee uses this booklet as a starting place for selecting the hymns for Sunday services. The layout is very convenient allowing the committee to select hymns that support the readings.

Glad to have this as ebook. Now I can choose music even on the go.

As expected.

This resource is excellent. The Kindle version is very user friendly and it not another book on the shelf.

This book was everything I expected and more. It will be invaluable to our new organist when we hire one.

I now have another complete set of liturgical music books . They are priceless in recommending music for weekly services.

I use this book (and the ones for years B and C) all the time.
