Synopsis

Between the pages of the Brighter Child(R) Keepsake Stories books are the classic tales of magic, imagination, and inspiration that will delight children again and again. From the hard-working Red Hen to the foolish Gingerbread Man, these stories will capture children's interest and spark their imagination page after page, inspiring a lifelong love of literature and reading. Each book includes 32 pages of fresh, captivating illustrations, and measures 8" x 8". --In this beloved tale, clever Puss in Boots helps his master find true love. Children will eagerly continue reading to see if Puss can outsmart the giant and escape the lion's sharp teeth! --This title, retold in English and Spanish, is an excellent skill-builder for reading and foreign language comprehension.

Carol Ottolenghi has written nonfiction and fiction books for adults and children for almost 20 years. In 1996, she won the Society of Children's Book Writers and Illustrators Magazine Merit Honor Award. One of her stories was selected for Best of the Children's Market by the Institute of Children's Literature. She currently lives in Ohio.

I didn't realize I was buying a book that had both English and Spanish text in it. But it ended up being awesome! I would read the Spanish text as best as I could with my best Spanish accent (think

Antonio Banderas) and my son loved it. This is a cute story, and I like how they didn't make the princess fall in love with the guy at the end without even knowing him, they said she decided to see if the cat's owner was as interesting as the cat and eventually they got married (as opposed to some fairy tales or Disney movies where the princess automatically falls in love with the prince before even getting to know him, just based on the fact that he wants her, or is handsome, or is powerful or something like that).

Such an adorable story and I love that it is in Spanish and English. It was the perfect gift for my bilingual niece.

strong material for a child learning a new language or even a student being given the chance to learn a language in the classroom.The series has given my wife a lot of options in the stories they provide in a bilingual book structure to allow the kids to hear it as they know and then in the words they are being taught.Wonderful filling for the holes of teaching a new language.

This is a great book for a 3-year-old child. I'm raising my daughter to be bilingual and I read stories in Spanish every evening. She loves this story and the large colorful images. I like the size of the book and the length of the copy per page -- great for a toddler!

Perfect bilingual children stories. My friends really appreciate that I buy these books for their children. I make a bundle of three different books with a small toy and the kids love my gifts.

We like it but some books of the series have been translated badly and have some editorial issues

Excellent! It's my baby's favorite!!

A great beginner book for small children.
