It was a joy to read the knock knock jokes in this book; "Jokes: Over 100 of The Funniest Knock Knock Jokes for Kids." I have a few other knock knock joke books but this is my favorite.I have never read a majority of the jokes in this book. You don’t know what to expect next, which I like. I read knock knock jokes over the phone to my grand kids (ages 4 & 8) frequently and the jokes in this book had them cracking up.I highly recommend this book for the knock knock joke lovers. You

will find a lot of cute and unique jokes in this book.

I had an opportunity to read Becci Lakemans "Over 100 of The Funniest Knock Knock joke book". I was actually giggling after the first few pages of it that it brought me back to my young years when knock knock jokes were a thing to do. The bacon birthday joke was my first last that I shared it with my spouse to add to my father in laws birthday card since he loves bacon.I would suggest a copy as a gift collection for those young children as a gift to introducing them to innocent humor that they can use and laugh for hours.Enjoy
