Synopsis

It is just as important to learn how to receive a blessing as it is to be willing to give one. So teaches John Osteen in this audiobook. Growing up during The Great Depression, John's mentality was shaped by frugality that seeped even into his spiritual life. When God tried to bless and increase his life, he struggled with receiving the abundance of God. But the Bible shows us example after example of those whom God blesses after they lose everything. God wants to shower us with abundance: Grace for Your Every Need Forgiveness for Every Relationship Righteousness for Every Accusation of Satan Joy for Your Heartache and Pain Provision for Your Every Lack Love to Reach Out to Others Power for Your Weakness The Holy Spirit for Changing the World Abundant Freedom for Every Stronghold Miracles for Your Impossibilities Using practical application and divine verification from the Bible, John Osteen shows listeners how to embrace the abundance of God in every aspect of their lives.

Customer Reviews

This is an excellent book! I would recommend this to all Christians.

I enjoyed John Osteen's book. It made religion and christian beliefs clear and how we can turn for guidance from Gods instruction.

Joel Osteen's father John writes the main book and Joel Osteen reflects on it in the book. John talks about the Gospel, Holy spirit and miracle healings/forgive/grace etc. Letting God use you/don't limit

God/God has more power than us alone. Love, no fear. Thank/praise. How Bible people followed God is explained. It is the basics of Christianity.

John Osteen reaches right to the heart of what "Living in the Abundance of God" means. Abundance has many definitions, and he goes right to the heart of it. I am buying this book for several other folks in my life.

I was fortunate to have John & Dodie Osteen as my pastors and thoroughly enjoyed this book and the teaching. It was good to have Joel write the forward and expound on his fathers background.

This book offers a lot of insight into loving in the power of the Holy Spirit! Another great book for my library!

I brought this book because I thought it was written by Joel Osteen; however, John Osteen wrote this one.... But it was still good...I really enjoy this work.
