Synopsis

Learn how to create bold, original designs from a master tattoo artist!Tattooing is an art form like no other...indelible, wearable paintings, each on a one-of-a-kind, ever-moving "canvas." Step into the parlor with master tattoo artist Fip Buchanan as he shares more than thirty years of experience and the secrets to killer tattoo design. In these pages, youÃ¢â ¬â„¢ll learn the practical considerations of placement, flow, and color choice, as well as the art of conceptualizing the kind of powerful, personal, out-of-the-ordinary designs worthy of being on a body for life. YouÃ¢â ¬â„¢ll even find inspiration for taking the look of tattoo art off -skin and into the realm of graphic design.Nine step-by-step demos reveal the authorÃ¢â ¬â„¢s creative process, from initial consultation and concept to finished tattooCovers popular subjects (snakes, dragons, portraits, hearts, roses and more) along with discussion of the symbolism behind themFeatures a chapter that explores tattoo styles applied to graphic artA gallery showcases the diverse styles of nine additional top tattoo artistsWhether you aspire to join the profession, are a graphic designer looking to expand your portfolio, or simply have a passion for tattoos, this book offers a rare inside look at the cutting-edge world of tattoo art.

Customer Reviews

This book is a piece of artwork in itself! The pages are packed with full color illustrations and the physical quality of the book is terrific. I bought this for my daughter, who is an artist and looks for inspiration from multiple art forms...this is definitely a great source of inspiration and filled with fascinating text as well! You don’t need to be a tattoo artist or even aspire to be, to thoroughly enjoy this book!

No real tutorials or instructions, just a lot of (boring) photos of tattoo designs, mostly by the same artists. I was hoping for more detailed information or photo tutorials.

Impressed how this book is set up and the price. A tattooer is never done learning. And even with experience, one should be able learn something new from this book. But at the same time it doesn't teach everything. Which is good because you only get out what you put into tattooing. And if you really thought you could just buy a book and learn all the secrets to tattooing, do us all a favor and quit.

Informative

could be better

wonderfully informative. Great source for anyone in the tattoo business regardless of experience. Highly recommended and not just for the great tattoo art photos!

I enjoyed this book. the book could use more of a step by step approach but I believe it is a worthy buy.

From beginner to expert you will learn the basics from sketch to final project.I would recommend to any person interested in the art of tattoo.
