Mary Engelbreit grew up studying the illustrations in the vintage storybooks of her motherÃ¢â ¬â„¢s own childhood, and she developed a unique style that harkens back to those simpler times. She has authored and illustrated several New York Times bestselling titles, including The Night Before Christmas, Mary EngelbreitÃ¢â ¬â„¢s Mother Goose, and Mary EngelbreitÃ¢â ¬â„¢s A Merry Little Christmas. MaryÃ¢â ¬â„¢s distinctive images have made her a celebrity to millions. Her designs can be found on gift items, calendars, books, fabrics, and more.Ã Â Mary Engelbreit grew up studying the illustrations in the vintage storybooks of her motherÃ¢â ¬â„¢s own childhood, and she developed a unique style that harkens back to those simpler times. As expected from one of today’s best and most-enjoyed illustrators, this collection of classic nursery stories and fairy tales appeals to many readers or story-listeners, on many levels. The stories take adult (and other) readers back to a magical time, and they transport the younger set into this realm, as well. The colorful, detailed illustrations are in Engelbreit’s tell-tale style -- no surprise -- and for first-time listeners who are too young to read, the illustrations vividly bring each story to life and enhance the reader’s task of sharing each story. Young or old, you can’t go wrong with Engelbreit’s artwork, and the tales themselves have stood the test of time. Highly recommended.

The stories are altered... The endings for multiple stories are changed... For example... *Spoiler Alert* The gingerbread man gets eaten by the Sly Fox at the end of the real story... In this book, the Gingerbread man gets away... And that is just one example... The pictures are amazing, it is Mary Engelbreit after all... Which is why I gave it 2 stars. I was very excited and wanted to love this book...

A lot of nursery rhymes and fairy tales in this book. Perfect. I don’t see too many changes to any of the stories and if there are they are very subtle.

Every American child should know our melting pot of nursery rhymes and fairy tales. As an early childhood educator, I find it rather disheartening the high number of students who have never heard them. I purchased this book as a gift for a friend who has a new grandson. They will love the stories and delightful illustrations. I know my young students do!

The perfect story book for toddlers. The stories are the perfect length for my 2.5 and 3.5 year old. The pictures are also fun for them to look at.I'm planning on picking up the rest of them soon!

My mom is a teacher and her whole classroom is decorated in Mary Engelbreit. She is going to absolutely love this Christmas gift! It was in perfect condition and looks just like it came from the book store. I would definitely buy it again!

My granddaughter loves this book for the beautiful illustrations. Mary Englebreit's books never disappoint.

I bought this for my 4 year old daughter as a gift and she loves all the illustrations and stories we have read so far. I'm excited about all the different story options so my husband and I don't read her the same stories every night. I have a 14 month old son as well and I know he will enjoy it when he is older. Very gender neutral and has all the classic stories. I bought it for 9.99 which was $4 cheaper than at Barnes and noble. Definitely recommend!
