Synopsis

The newest title in the Drawing Made Easy series pairs the lively, vibrant strokes of colored pencil with a stunning array of botanicals. From garden and tropical flower portraits to gorgeous floral still lifes, there is a project to suit every flower lover. Inside, accomplished artist Cynthia Knox teaches her method of developing a colored pencil through simple step-by-step demonstrations, with helpful tips and tricks sprinkled throughout. She also discusses basic flower shapes, anatomy, photographing references, and setting up dynamic still lifes.

Customer Reviews

Cynthia Knox is an award-winning artist who specializes in works of traditional realism. She is a Signature Member of the Colored Pencil Society of America, a juried member of the International Guild of Realism, commissioned portrait artist, and occasional art inustructor. Her artwork is in shows, private collections, and on her website at www.cynthiaknox.com. Cynthia credits her passion and inspiration for art to a deep love for God and encouragement from her parents and family. She currently lives in Clifton Park, New York, with her wonderful husband, Jeff, and their two beautiful daughters, Katharine and Abby.

This is a great book for individuals starting out in colored pencils. It includes an introduction to colored pencils and the supplies you will need, along with step-by-step demonstrations on how to paint various flowers. I completed three of the demos and found Ms. Knox’s instructions clear and

easy to follow. The final project in the book ties together everything you have learned while completing the lessons. A good companion to this book is Ms. Knox's video on craftsy.com.

Book is good but not a really step-by-step book. It serves it purpose but not enough is detailed for a beginner.

I love this book. The author takes you through the demonstrations step by step. It is very easy to understand the techniques she explains.

This step by step directions result in great flowers.

This is a nice booklet. I painted one of the photos. It doesn't give a lot of in depth information but is nice.

very good explanations

I love flowers and these are incredible. An adult or older child could put much enjoyment in coloring the designs. The artist who drew them did a great job.

Just what I wanted. Thank you
