Synopsis

Ã¢â ¬Å“I hated that I was like this, but after years of trying to work through it I was beginning to feel like IÃ¢â ¬â„¢d never be normal.Ã¢â ¬Â• ~ CodyHiding the fact that I was in love with my best friend Isaac used to be the most complicated part of my day, until a chance meeting with a handsome stranger named Jonah sent my life into a tailspin. Scars from my past have stopped me from giving in to my desires for so long, but IÃ¢â ¬â„¢m done being afraid. I want both men. I just donÃ¢â ¬â„¢t know if IÃ¢â ¬â„¢ll be able to trust that anyone can love me.Ã¢â ¬Å“I knew it was a bit messed up, but there was no jealousy or envy when I thought of my men together.Ã¢â ¬Â• ~ Isaac IÃ¢â ¬â„¢ve loved Cody for as long as IÃ¢â ¬â„¢ve known him, but have always held back because of his past. Then I met Jonah and I knew there was no way I could choose between them. I want it allÃ¢â ¬â •the man IÃ¢â ¬â„¢ve loved for so long, and the one IÃ¢â ¬â„¢m quickly falling for. ItÃ¢â ¬â„¢s not going to be easy, but nothing worthwhile ever is. Ã¢â ¬Å“I wanted to believe it was all true, but I couldnÃ¢â ¬â„¢t push aside the fear that I was just a distraction until the two of them got together.Ã¢â ¬Â• ~ JonahAfter having my heart broken I never thought IÃ¢â ¬â„¢d find love again. I wasnÃ¢â ¬â„¢t looking for anything real, and then I met not one, but two men I canÃ¢â ¬â„¢t resist. Isaac and Cody are everything I ever wanted but didnÃ¢â ¬â„¢t know I could have. I want to believe the three of us can work, but a part of me canÃ¢â ¬â„¢t get past the fear that IÃ¢â ¬â„¢ll be the odd man out, again. *This is Book 2 of The Den Boys series, but can be read as a standalone - no cliffhangers. *This book is intended for an 18+ audience and is a story of male/male/male romance and love. There are graphic depictions of man parts doing naughty and sexy things, so please be sure this is the kind of book for you before reading.

Customer Reviews

Possible SpoilersI enjoyed this second book in the Den Boys series.Cody is just precious. Isaac is steadfast, considerate and patient. Jonah adds maturity and strength to the mix.They play well off of each other. The author makes you believe in the relationship and strong feelings of the three characters. The passion is strong between them and the intimate scenes are very well done.There was an immediate change in two characters personalities about halfway thru the book that didn't seem believable, but I rolled with it and stuck with them until the end. Their HEA was satisfying and the glimpse into the lives of other Den Boys was interesting and appreciated.

Another fantastic book in The Den Boys series. Cody, Isaac and Jonah are wonderful men individually but put the three together and there is magic. Poly relationships are difficult to maintain. These three show how it can work and be beautiful. It was nice to see Cody come out of his shell. Loved being re-introduced to the members of the Den Family. Love obviously concurs all. I highly recommend reading this book and the entire series.

ÃƒÂ¢Ã Å“Ã Â© ÃƒÂ¢Ã Å“Ã Â© ÃƒÂ¢Ã Å“Ã Â© ÃƒÂ¢Ã Å“Ã Â© FOUR-STAR ÃƒÂ¢Ã Å“Ã Â© REVIEW ÃƒÂ¢Ã Å“Ã Â© ÃƒÂ¢Ã Å“Ã Â© ÃƒÂ¢Ã Å“Ã Â© ÃƒÂ¢Ã Å“Ã Â©> > Judging a Book by it's Cover < > Looking Deeper < Multiple first person perspectives, all clearly marked and easy to follow.A bartender, a construction worker, and an abuse counselor form this trio.I found myself on the fence with this book... if felt like a switch was flipped about halfway through the story. With much less coaxing and easing into it than I ever imagined, Cody went from an abused, fearful, panic attacks and nightmares-ridden, twenty-one-year-old virgin to a slightly reserved, but much more demanding, insatiable lover of not only one, but two men. I also felt the flip in Jonah. He started out confident and strong, but suddenly - without provocation or sound reason - became insecure. For a

man who studied psychology and was now an abuse counselor at Open Arms, it was rather unpleasant to see this shift in his mentality. The only character that seemed to remain steady and supportive was Isaac. A few secondary characters from The Den and Open Arms had small secondary roles in this story, leaving the majority of the page time focused on the trio, usually in private and in some form of intimacy. In the background, there were a few things happening with some of the Open Arms residents, as well as the break-in and stolen files from Galen's office. The plot was good, but not as strong as the first book - in my opinion. The big conflict felt a little disjointed and the resolve seemed to come with little more than a "shrug it off" attitude, but the story as a whole still flowed and the pages kept turning at a nice pace. Some minor predictability was present, but not enough to deter a reader from enjoying the plot. The conclusion was solid. There was an epilogue that contained a quickie catch-up on Blaze and Galen as well as a satisfying enough HEA for Cody, Isaac, and Jonah.The book also included a sneak peek into book 3, BREAKING FREE, featuring Zander..Rating: [R] ~ Score: 3.85 ~ Stars: 4==========ÃƒÂ¢Ã Â- Ã Â• ÃƒÂ¢Ã Â- Ã Â• **** Disclosure of Material: I received a copy of this book from Embrace the Rainbow Promotions and the Author/Publisher with the hope that I would voluntarily leave unbiased and unsolicited feedback. Cody is a 21 year old man who has just gotten his first apartment, and thrives in his job as a bartender at The Den. He's a survivor of forced child prostitution and abuse, and fled the foster care system before getting help and counseling at Open Arms, an LGBT-centered shelter in his town. It's where he met the owner of The Den, who hired him and set him up with living arrangements. Cody suffers nightmares of his abuse, and has an aversion to touch that he's been working through slowly and carefully with his best friend, Isaac. And, Cody has a big crush on Isaac, though he's sure he can't be a real partner for him. He's never even had a first kiss, let alone a voluntary sexual encounter, and the idea of being physical with anyone induces panic-attacks and guilt.Isaac is gone over Cody, but he's content with the close friendship they have developed if that's all Cody can ever handle. He knows some of Cody's history and has been instigating little touches and platonic contact at Cody's request for the past year. That said, when Isaac meets the newest counselor at Open Arms, Jonah, who's come to visit Cody at The Den, Isaac isn't a little turned on. He's a lot. And Jonah, well, he can't get over how sexy Cody and Isaac are. He expects they are a couple, but

he’s happy to go home with Isaac when Isaac admits to being single.Cody is a little sad that Isaac and Jonah might hook up, but he’s confused regarding how aroused that prospect makes him. He’s hardly noticed attraction for himself, but the idea of Isaac and Jonah together pushed all his "on" buttons. When he and Isaac discuss it, Isaac’s floored that Cody has feelings for him, and he’s overjoyed when Cody wants to kiss him! Their discussions lead to more than kissing--Jonah’s attracted to both Cody and Issac, and is down for expanding their sexytimes, to allow Cody to watch, and participate as much as he can.Yep, sexual healing is the nature of this book. I’ll be truthful, this one is all about the feels, and getting it on. There were some accessory intrigues, and some other characters do interact with our budding trio, but it’s really focused on how they can fashion a relationship that counts them as equal shares in the experience. You’re going to want to keep a squeegee handy so all the steam doesn’t cloud the screen. I liked how carefully Jonah and Isaac were with Cody, and how they let him join them at his pace. For me, considering how pervasive and horrific the abuse Cody suffered, I though he came around a little quicker than I’d expected. Jonah has some reservations, too, thinking he’s just a passing fancy for Cody and Isaac. He’s been broken-hearted by a couple guys and is sure they won’t want him around long-term either. It’s sweet when they convince him it’s not true.This one ends with an HEA, times three, and I liked this story enough to want to read new books down the road, especially whenever Isaac’s twin Noah get his own book.
