Customer Reviews

Not perforated. To much black in the designs. Paper low quality. Wouldn’t buy again.

A better way to channel one’s frustration.

this was a gift for a friend an she loved it!

Great phrases in this book! Love it! #resist

This coloring book is just what I was needing in my life! It’s a perfect way to channel all my anger in a positive way. I just colored my first page and feel better about life already. Whew- guess I won’t need therapy after all! The detail work on every page is awesome, I’m pretty picky about coloring books and this one is high quality. Reading through every page- it’s like the author read my mind. Thank you!

This was great... kind of. But over all, the pages are pretty boring and simple and there’s a lot of strange, bizarre phrases to color in. I was expecting something a little more adult. Oh well!

Lots of fun and stress relief! Will make you smile will you color. NOT FOR KIDS!

Absolutely hilarious!!!!
