Synopsis

As a child, Charles Dickens worked in a shoe polish factory where his gritty surroundings inspired some of the most memorable characters and settings in literary history. Known for his masterful storytelling in books likeÃ Â Oliver Twist,Ã Â Great Expectations, andÃ Â A Christmas Carol, Dickens toured the globe as one of the most famous people of his era. Widely considered the greatest writer of the Victorian age, DickensÃ¢â ¬â„¢s literary masterpieces continue to amuse and inspire writers and readers alike.

Grade Level: 3 - 7

Customer Reviews

Pamela Pollack and Meg Belviso are authors of several books in this series, includingÃ Â Who is George Lucas?Ã Â andÃ Â Who Was Susan B. Anthony?

I have purchased many of the "Who Was...." series of books for my grandchildren and, for the most part, thought they were well written albeit at a preteen's level. I wish that I could say the same for "Who Was Charles Dickens" but I can't. This book was so disjointed and poorly written that I'm sure that Charles Dickens himself must be spinning in his grave. It's too bad because Dickens' biography deserves far better treatment than this sophmoric effort.

This is a great synopsis of the life of Charles Dickens for a high school student. This book will help my tutee understand the life of the writer when he reads the four novels I ordered for him via as part of his summer homework.Thank you, , for your wide range of choices in books and for your speedy service.

Daughter loved reading this book received 100% on her AR test.

The book was very interesting to read and I learned a lot about the man. If any one who has ever read his books I believe they might like to read about him it tells a lot about why he wrote the books he did.

Used by our school library...kid friendly

good

This series is a wonderful way for my 4th graders to learn about people in history!

Great read! Interesting facts. My students will enjoy learning more about this famous author.
