Synopsis

While connecting me up to various machines and monitors and placing nitroglycerine tablets under my tongue, the doctor looked at me early on and said: "You waited too long to get here, sir." I was petrified. There was no immediate response on my part, only a deep sense of fear entombed by a completely paralyzed inner spirit. Much to my surprise, he spoke again: "Sir, you've waited too long to get here. You're not going to make it." And he continued: "If you believe in God, this is the time to make peace." In that very moment, I said to myself, "What do you mean, 'If you believe in God?' Of course I believe in God! I'm a man of faith and a Catholic priest!"Fr. John Tourangeau, O. Praem., a Norbertine priest who had an afterlife experience following a major heart attack, emphatically states, "Heaven is for real!" Within this enlightening and hope-filled book, Fr. John weaves a powerful and dynamic tapestry of the Kingdom of God at hand through the exploration of Christian tradition, Sacred Scripture, Catholic teaching, as well as his own lived experiences. "While the fullness of heaven cannot be fully experienced in our life here on earth," Father explains, "we are able to more fully experience God's love for us through our relationships with others. For it is in and through these relationships that we draw closer to Christ and his promise for us."

Customer Reviews

The title caught my interest, as well as the subject. The book held my interest, as it was not at all as I expected it to be. It was very compelling and took twists and turns that caused me to think about some preconceived ideas about Catholic Priests.The story made me keep reading. I had to find out what happened next, but the ending was a wonderful surprise.

Having had great personal life giving experiences with these authors I couldn’t be more excited to finish the rest of this book! These two educated authors both live a faith based life where they positively impact many people in our community!After just reading the prologue I already know that this book is going to deliver an important message on spirituality about how ones personal experience (Rev John Tourangeau) dealt with a life altering (near death) experience and how he used that experience to deepen his faith and understanding of an eternal after life.I recommended this book to anyone who wants an exciting yet simple read that is packed with thought provoking thoughts on spirituality!

I love reading about near death experiences. I was disappointed in this book. It did not include enough personal experience for me. Would like to have heard more about his heart and spirit experience than just the facts.

I loved this book.

Would have liked more detail of his visit to heaven, and was more of biography of his life and family relationships

I think if you were looking for this type of book you will enjoy this. While I appreciate the citations and biblical references I felt it was difficult to relate .. I felt it was more like something you had to experience yourself to get the full import.

I always like books that reaffirm my faith. I gave this book for a priest friend for read, I am sure he

will enjoy it as well.
