Customer Reviews

Most photos are lit with a single flash creating harsh shadows and bright highlights on the model. Others are made in natural light and are exposed on the dark side. All the photos are taken in a hotel or other room, but with a variety of poses.

Seventy eight photos of pretty blond woman in various stages of undress. Lots of full frontal nudity with pink. Many hot sexy poses!

This babe on the cover is about the best picture in the lot...a few other gems and the rest is not even worth mentioning...
