Synopsis

Patsy was diagnosed with Stage Iv colon cancer February 25th, 2013. She was 34 years old, a happy, healthy mother of 3 with no symptoms or family medical history of cancer. Her next 3 years would be filled with chemo, surgeries, Ct/Pet scans and disappointments as treatment failed to clear the cancer. But they were also filled with happiness, faith, love, laughter, advocacy and dancing. We put her writings together in order that others can benefit from her amazing spirit and so we can share her with the world. This is the book she always wanted to write.
