Customer Reviews

Alexa Andrews has written two other books for the Penguin Young Readers program, Cat Days and On A Farm.

This book and the others in this series are truly beginning readers. They are rated a DRA Level 1 A. What a wonderful series for my Kindergartener who knows his letters and sounds but is just starting to learn words.

Very simple for little ones learning to read. My 2 year old picked up quickly. Would recommend for sure.

My 18-month old daughter loves it.

They start with the more consonant and vowels combinations (level one) and increasingly add

complexity and length of story (level two and three). They really helped my son learn to read!

My 5 year old loves this book because, for a beginning reader, its easy to read. Simple words and pictures help young readers.

There is not much to this book!

Great

My grandson loved it!
